Exercise

neThink

of an idea for

a small research pro ject and

w rite one or t

wo paragraphs abo

ut it on the Wiki. It can be any t hing related to the theme of this seminar.

See the Wiki for a list of example projects and what kind of projects are reasonable. Pick something which you really like! In the new year we will discuss

d the n one of the next exercises will be to write a short research proposal where you make your goals and plans more precise.

Have a very nice holiday.

We wish you a Merry Christmas and a Happy New Year!
